CONFIDENTIAL Declassified in Part - Sanitized Copy Approved for Release 2013/01/28: CIA-RDP91-00981R000100020011-1 2 December 1987 MEMORANDUM FOR: Chief, External Buildings Operations Branch, OL 25X1 FROM: Chairman, Space Task Force, OL Request for Additional Space in Key Building 25X1 SUBJECT: Attached you will find: 25X1 -- Request from for space at Key Building -- The response from D/OL to regarding this request 25X1 -- A blueprint showing the allocation of space agreed to with 25X1 and OF 2. By way of background, when FBIS left Key Building, the Office of Finance was given expansion space on several floors. The subsequent move of Compensation Division to the Office of Personnel left OF with excess space on the 5th floor. OF has agreed to release all but some 650 SF of this excess to 25X1 relieve problem. 3. The blueprint shows how the new allocation has been worked out. When you send someone down to talk with and OF, feel free to make any 25X1 architectural changes you see fit, as long as you preserve, somewhere, the 1000SF of contiguous space annotated for AHS refugees. The 1000SF will likely be a classroom. There may well be a better way to adjust the walls than we 25X1 have marked here. OF and understand that they will be footing the bill for whatever is done. 25X1 4. I would also urge you to read D/OL's response to as it contains a concept in which you would be a key player. 5. Give me a call if you have any problems with this. 25X1 25X1 will probably be contacting you if they don't hear from you. 25X1 25X1 Attachments: lequest D/OL Response Blueprint
